Callie and Andrew

Here is what I have so far. I mentioned Callie and Alfreda as possible regional contacts to start with. Andrew I asked that you also be invited. It looks like OAR is favoring the Monday date, which doesn't give much time to pull info together.

Let me know if you have questions and hopefully you will get an invite when it is pulled together.

Thanks for the note, Rollie. I am including several others from OAR who can help look at the calendar for the dates/times you suggest and let you know what might be possible.

Rollie,

Thanks for your email regarding the Ute Indian Tribe visit to DC next week. As you know, the Office of Air and Radiation is the lead office on the proposed FIP for the regulation of oil and gas minor sources on the Uintah and Ouray Reservation, so I will defer to OAR on this meeting request. The Office of International and Tribal Affairs would be happy to join this meeting or if that is not convenient, meet separately with the Ute Tribe.

Best regards,

Jane

Hi Janet and Jane,

The Ute Indian Tribe will be in DC during the week of February 21st and would appreciate the opportunity to meet with you to discuss the proposed Federal Implementation Plan for the regulation of oil and gas minor sources on the Uintah and Ouray Reservation. That's kind of a mouthful, I believe what we are talking about is the proposed FIP for the Reservation.

Do you have any time available on the morning of Monday the 22nd or Friday the 26th between 11am and 4pm? If not we could look to other times during the week.

Thanks for your consideration,

Rollie Wilson
